

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

AKAN BOYD,

Plaintiff(s),

v.

OFFICE OF RISK INSURANCE  
MANAGEMENT,

Defendant(s).

No. C10-2971 BZ

**ORDER**

After this Court dismissed plaintiff's claim with leave to amend, on August 12, 2010, he filed an amended complaint. While the Court still has reservations about whether he has cured the jurisdictional problems set forth in my earlier Order, these are best resolved after the defendants have been served and appear. The Marshal is therefore **ORDERED** to serve the amended petition filed August 12, 2010.

Dated: October 21, 2010

Bernard Zimmerman  
United States Magistrate Judge
